JULY 2018

Affiliated

NEXT MEETING: Tuesday, July 10th, 2018 at 7:30pm

Bay Avenue Community Center

775 E. Bay Avenue

Manahawkin, NJ

President's Corner

Steve Molo, KI4KWR

Happy July from KI4KWR!! We had an awesome Field Day at Wells Mills Park and the score shows it no doubt. Preliminary points have been tabulated and we did much better as 3A than 4A for sure. Come to the Club Meeting on the 10th for a debrief and what was good and bad....more good certainly.

IARU HF Championships is July 14-15 and we will be at WYRS/SJDXA Shack for the Contest. If anyone wants to operate or even stop by...please join us for some fun. Making this a small Newsletter due to having my laptop die on me yesterday for some reason so August issue will have Field Day photos and IARU event all in one.

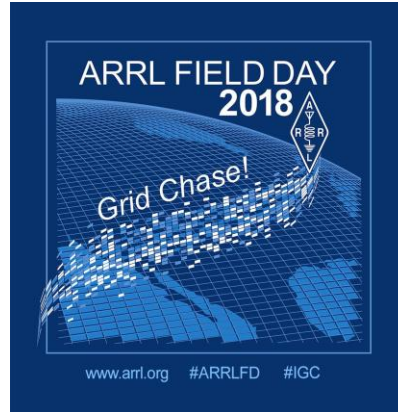

73,
Steve KI4KWR
OBARC President
Go OBARC!!

UPCOMING OBARC EVENTS

IARU HF Championships POC: Steve KI4KWR	July 13-14th	WYRS
International Lighthouse Weekend POC: Bob N2OO	August 4th	Tuckerton Seaport
Old Barney Lighthouse Day POC: Jim K2GMT	August 18th	Old Barney Lighthouse
Tuckerton Decoy Show	September 29-30th	Tuckerton Seaport

Please support these events to show not only the amateur radio hobby but community exposure too!!

JULY PRESENTATION

FIELD DAY 2018 DEBRIEF

N200 / WS2C and KI4KWR will go over the event and give everyone the Score we achieved.

On June 5th 2018 there were three technician candidates and two passed.

Forrest Jennings is now KD2PZX

John Baran is now KD2PZW

VE Crew:

Urb W1UL, Session Coordinator

Norm W2NRS

Ira N2WAA

Tim NJ2N

VE session on Field Day Saturday. We had three candidates and they all passed with flying colors.

Pat Vogel, W2PKV, passed here Extra.

Woody Nelson, W2WDY, passed his General

John Baran, KD2PZW, passed his General

VE Crew:

W1UL, Urb, coordination

N2RPQ, Rich

N2WAA, Ira

W2TCR, Sid

K2PDZ, Paul

N2XW, Tom

It was the first VE session for both Paul and Tom.

Glad to have you with us.

Antenna Making Calculator

Here is a cool antenna calculator that gives you the length for a dipole versus an inverted v.

Of course, what's nice about an inverted v is that trimming the ends are much easier than with a dipole since they are relatively closer to the ground. So always make it longer first and always trim exact same amount from each end as you tune it.

Ocean County ARES® News – June, 2018

I would like to thank Keith, KC2OON, for his presentation on Artificial Intelligence at the Ocean County ARES meeting on June 20th at the Ocean County EOC. We also said goodbye to Diane, KC2GKO, who is retiring and attended her last Ocean County ARES meeting as a representative of the Sheriff's department. She has been with us for the last 18 years and hopefully she will be able to make the annual ARES holiday party.

Diane also took pictures for RACES ID cards, which Pete will be processing and notifying you when they are ready to be picked up. The next ARES meeting will be on August 15th and Holger, K2HES, will give a presentation on DMR Programming.

June 30th is Manchester Day at Harry Wright Park in Manchester. The HCARC has asked us to set up a demo table with our Go-Kits. This is an all-day affair with fireworks at night. If you are interested in being a representative at the table please email me at wx2nj at comcast.net

September 8th is the Walk to Build event at Lavallette Boardwalk, held in conjunction with Lavallette Founders Day. If you are interested in being a comm operator for the walk, please email me at the email address above. We will be using the Toms River WA2RES UFH repeater on 449.825 MHz. You will only need an HT for the walk.

October 13th is the 1st Annual 5K Wing Run/Walk at the Brick Township Reservoir. Ocean County ARES will be providing comm support for this event and operators are needed. If interested contact me at the email address above. We will also be using bicycle mobile communications for this event along with HT's. Will most likely be using simplex on a frequency to be announced.

A little bit about the event from Barb, KD2NAV:

October 13, 2018. 9:00 AM check-in, 10:00 AM start

Brick Township Reservoir. Parking and check-in at the Trinity Bible Church, 3801 Allenwood Lakewood Road, Wall, NJ 08720. There will be a BBQ following the event at 12:30 PM at the American Legion Post 348 picnic grounds, 822 Mantoloking Road, Brick, NJ 08723

Sign up on line to participate in the event at:
